Objective:

The purpose of the Equal Opportunity Cell in the University is to look into the issues of groups of students, staff and other stakeholders who are considered disadvantaged-socially, economically or physically including taking up issues related to other students.

Functions:

1. To ensure that University adopts policies of equal opportunity for Persons with Disabilities as per the Rights of Persons with Disabilities Act (RPwD) 2016 and Rules 2017 as notified by Government of India.
2. To make efforts for the University campus and its buildings to be friendly for all 'Persons with Disability' (PwD) to ensure barrier free access.
3. To ensure that there is no discrimination in the University on grounds of disability, gender community or region.
4. To sensitize University staff, students and teachers about the issues of equal opportunity by organizing seminar, workshop etc.

5. To set counselling centres for persons affected by inequality, if any.
6. To network with other Universities and NGOs for crediting about the issues related to equal opportunity.
